IS PROUD TO PARTNER WITH

By placing a Teal Pumpkin on your porch you are letting tick or treat-ers know that you have candy and non-food treats for those with food allergies. Here's a list of Halloween treats to get you started. The items on this list are free from the top 8 most common allergens (milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soybeans).

Note: This list is not comprehensive and all items may not be at all stores at all times. Please double check the product for allergen statements. #TealPumpkinProject
